G. Galasso

A. Trechsel

E. Guigou (tbc)

P. Mandelson

H. Van Rompuy

Why this conference?

In early November 2014, a change of leadership positions in the European Union will have taken place, with the appointment of new decision-makers for the next 5 years. Italy, in turn, will have exceeded half of its six-month Presidency of the Council of the European Union. It is therefore an important moment to assess past achievements and future prospects of the European Union.
