

Fabien Dupuis

Former research Assistant at the Jacques Delors Institute (2006)

A graduate in economics and international relations at the Institut des Relations Internationales et Stratégiques [Institute of International and Strategic Relations], Fabien Dupuis is studying for a Masters in political sciences at Paris II University Panthéon-Assas. As specialist research areas he has chosen: “The merchandising of water as a way of managing a scarce resource?” and “Water - a major issue for Turkey, Syria and Iraq”.
