

Charlotte Laigle

Former intern at the Jacques Delors Institute (2004)

Holding a degree in Translation, 'English-German' (ISIT, Paris), and a Dess in Translation specializing in International Relations (ISTI, Bruxelles), she carried out, during 2004, a ten week-internship for GreenFacts Foundation. She wants now to work as a translator or ar esearcher in the field of international relations, more particularly at the European level.
