

Phuc-Vinh Nguyen

Head of the Jacques Delors Energy Centre

Phuc-Vinh Nguyen has been head of the Jacques Delors Institute's Energy Centre since December 2024 and a researcher on French and European energy policy since December 2020. At European level, he works on the European GreenDeal, the carbon markets (ETS1 and ETS2) and the gas and electricity markets. At national level, his work focuses on the implementation of the Green Deal in France and the role that France can play in promoting an ambitious energy and industrial policy at European level in the context of the CleanIndustrial Deal.

Phuc-Vinh is a visiting lecturer at Sciences Po Paris and IRIS-SUP. Before joining the Institute, he worked as a parliamentary assistant in the European Parliament and as a European affairs officer in the Brussels office of the Union Française de l'Electricité.

A lawyer by training, Phuc-Vinh holds a Master's degree in European Business Law (Université Jean Moulin Lyon III) and a Master's degree in Energy Law (Université Paris I Panthéon-Sorbonne). His working languages are French and English.
