

# Virginie Timmerman

Former Project manager Citizenship and Democracy

Virginie Timmerman has been a project manager Citizenship and Democracy in Jacques Delors Institute.

Prior arriving to her current position, she gained experience in managing projects through projects structuring for the development missions of the Directorate General Development and Cooperation with Euronet Consulting. She also helped to organize conferences and events to promote the European Union and its cultures to the public with student unions.

She graduated from the Institut d'études politiques de Grenoble and the University of Kent in Canterbury with a Master degree in "European Governance".
