**Monday 9 July 2012 13.00 – 15.00
Hotel Silken Berlaymont
Boulevard Charlemagne, 11/19, 1000 Brussels**

In the aftermath of the June European Council, Notre Europe is pleased to invite you to the presentation of the report of the Tommaso Padoa-Schioppa Group, "[Completing the Euro – A road map towards fiscal union in Europe](#)". Elaborated by a small group of leading experts working under the patronage of **Jacques Delors** and **Helmut Schmidt**, the report presents an analysis of the main long-term challenges to which the Eurozone is confronted and provides elements of reflection on how to move towards a more resilient and sustainable Euro area.

The presentation of the report will be followed by a panel discussion, in which the members of the group will evaluate the results of the EU summit in the light of the analysis put forward by the report.
