Annex 1: methodology of workshop

WP 1

Compilation of first results (from interviews and literature) in a short paper

5 roundtables of 4-5 **participants** for each key area + 1 **secretary** and 1 **rapporteur**,
&
1 roundtable on the European innovation ecosystem (15 persons).

AFTERNOON

1 roundtable (10-15 participants) to discuss about the key assets, barriers and potential impact (jobs & growth) of the EU leadership in each key area, and to suggest recommendations to better leverage the European innovation ecosystem.

This roundtable will start by 5 x 6 min of presentation (**rapporteurs**) of the outcome of the 5 KA roundtables.

WP 3

Synthesis, key recommendations and proposals for actions
